

Position: Counsellor, Counselling and Therapy

Hourly Salary: \$28.83 - \$35.63 hourly

Reports to: Clinical Supervisor/Manager

Reference #: CCS-0621-01

Status: Two (2) Permanent, Full-Time

Location: Sault Ste. Marie

Posting Date: June 29, 2021

Closing Date: July 6, 2021 at 4:30 pm

Position Summary

Using a strength-based, solution-focused, and family-centered approach within the context of anti-oppressive practice, the Counsellor in partnership with the family, circle of care, and other service providers, will assess and treat children, youth, and their families who are experiencing social, emotional, and behavioural challenges. Treatment will include an assessment of need, development of a treatment plan, in-person and/or virtual service provision through individual and/or group therapy, referral to additional services if required, and discharge from service planning including any follow up care. In this capacity the Counsellor will focus on group therapy services which includes the development, coordination, delivery, and evaluation of our group counselling services.

Minimum Education/Registration

- Master's Degree in Social Work or Counselling preferred
- Bachelor Degree of Social Work or equivalent minimum requirement
- Current registration and in good standing with regulated professional college (RSW, RP) is required

Minimum Experience

- Two years' clinical experience working in children's mental health or related field preferred
- Equivalent combinations of training and experience may be considered

QUALIFICATIONS:

- Skill in a variety of cognitive-based, post-crisis intervention, solution-focused and brief therapy techniques with children, youth and families.
- Ability to coordinate and facilitate groups for various age groups based on service demand
- Skill in evidence-informed clinical interventions for children, youth and families.
- Ability to work effectively with children, youth and families in a therapeutic goal-oriented way.
- Thorough knowledge of child, youth and family development (psychological, emotional, physical, social).
- High level of maturity and interpersonal skills, as well as demonstrated leadership qualities with competence in making and implementing decisions.
- Ability to work cooperatively and negotiate effectively within an interdisciplinary team, across the agency, with collateral agencies/professionals including the medical community at both a front-line and systems level.
- Thorough knowledge of mental health resources.
- Ability to write clear, concise reports.
- Proficiency with computers and software applications such as Microsoft Word, Microsoft Office, Excel, Access, and data MIS.

- Possession of a valid Ontario Driver's, License ability to travel within the district of Algoma and use of a personal vehicle.
- Availability to work flexible hours including evenings and occasional weekends.
- Ability to provide services in both official languages (English/French) is an asset

DUTIES AND RESPONSIBILITIES:

1. To maintain and secure confidential client information in the execution of professional responsibilities in a manner that is consistent with required legislation, and AFS policies and procedures.
2. To possess a working knowledge of required legislation governing practice, specifically the Psychotherapy Act; also to fulfill the professional "Duty to Report" any suspected child abuse as required under the Child, Youth and Family Services Act.
3. To work as an AFS interdisciplinary team member to provide:
 - Counselling services to children, youth and families
 - Short-term assessment and stabilization services including post-crisis intake, assessment, intervention, and referral services to: children, youth and their families who have been referred by the Sault Area Hospital Crisis Service and require crisis follow-up;
 - Intake, assessment, intervention, and referral services to children and youth admitted to the Sault Area Hospital's Child and Adolescent Program (CAP) and their families;
 - Brief Narrative Therapy through Walk in Counselling Service (scheduled hours after 4:30 p.m. on a voluntary basis) and Single Therapy Sessions
 - Therapeutic and psychotherapeutic groups
4. To develop and maintain a clinical treatment plan with the child/youth and family, in collaboration with service providers and the medical community, as appropriate.
5. To provide a brief clinical intervention service to those clients deemed to be most appropriately serviced through a brief therapy model.
6. To work in cooperation with all clinical staff assigned to ensure client information is shared, and the clinical treatment plan is coordinated and supported in a timely and efficient manner.
7. Provide individual, family and group services where applicable.
8. To provide referrals and appropriate transitional support to other services and programs within AFS or in the community as required on a case by case basis.
9. To demonstrate a thorough working knowledge of community resources, especially in the area of child, youth, and family services, including health and medical services, and a willingness to liaise with local service providers and other key resources.
10. To accurately and promptly maintain client file documentation according to agency policy and procedure and to prepare and distribute documentation for case review or complex case discussion by an internal and/or interagency team if certain prescribed conditions exist and as appropriate.
11. To be prepared to conduct clinical work outside the formal office environment, that is, within the hospital setting, client homes, schools, medical clinics, etc.

DUTIES AND RESPONSIBILITIES: OTHER

1. To participate in annual service planning as appropriate, also in program evaluation in accordance with established policies and procedures.
2. To assist in the development of community mental health through active participation and leadership in establishing and supporting community networks, self-help groups, community planning, etc.
3. To interpret the AFS services system to clients, collateral agency representatives, and the community at large.
4. To take initiative for professional development on a personal and team level.
5. To assume other responsibilities as assigned by the Clinical Supervisor/Clinical Manager.

This position falls within the bargaining unit represented by the OPSEU.

Algoma Family Services (AFS) is dedicated to building a workforce that reflects the diversity of the community in which we live and serve. AFS encourages applications from all qualified individuals.
