25th Anniversary Scholarship Package
\$2,500 Post-Secondary Education Award**

1. Scholarship Description

Algoma Family Services (AFS) proudly celebrates 25 years as an amalgamated agency, established in 2001 to provide high-quality mental health, addictions, and family support services across the Algoma District. Over the past quarter-century, AFS has become a trusted leader in therapeutic counselling, youth services, substance-use programs, and collaborative community initiatives. Through programs such as the Algoma Youth Wellness Hub, Rebound North, Live-in Treatment, and school and community-based services, AFS continues to advance mental wellness and strengthen families throughout the region.

In honour of this milestone anniversary, AFS is pleased to introduce the Algoma Family Services 25th Anniversary Scholarship, a \$2,500 award supporting a graduating high school student entering a post-secondary helping profession. This scholarship recognizes youth who have shown leadership in mental health advocacy, substance-use awareness, and community well-being, and who aspire to contribute to the future of the social services sector.
